

# The Great TechPP

## Crossword - Episode

### 8

by Akriti Rana & Nimish Dubey

**10** Do not expect any music from this band. But it still rocks, because it handles heart rates in spite of being so insanely slim. Quite a fit bit, we would say. (4,2)

#### ACROSS

- 1** It can take a shock. It has e-ink. And it is great for iPhone coverage. Get it? (7,3)
- 4** It is really a matter of status, because we hear this Facebook app is bring it back. What's up, then? (8)
- 5** One thing about MWC that our editor needs to REALLY change, so what if Freddie Mercury sang about it! (9)
- 7** The shoes with Intel Inside come from Me. Errrr.. well, not quite but from someone who sounds rather similar. (6)
- 9** Yes, they were pretty, but as Cinderella will tell you, they were slippery for her slippers too. And so are many of the phones made using this material! (5)
- 11** We were surprised to see it send out a Vibe, and with a B at that. Good that it did not cost too much. (6)
- 12** When it was clothes, Salman was Being Human. But you need a different sort of Being for smartphones. (5)
- 13** So are you going to need an umbrella today? Why don't you just ask this umbrella! (4,3)
- 14** Google just changed the whole concept of hanging out online. Now you will have to Meet and Chat. (8)

#### DOWN

- 2** Copycat, it screamed when it saw Instagram getting into geosticker mode. (8)
- 3** The Angry Young Man of yesteryear believes in Never Settling. A star for this brand, we guess! (7)
- 4** Yes, it called the CIA Snoopy! How leaky is that? (9)
- 6** Oh it's Get a Mac time again, only in these ads, the Cupertino company wants you to buy something rather different. (4,3)
- 8** More Mods, yes. Feature phones, no. Or so sayeth this brand about its India strategy. (8)
